Re: *Reyes v. City of New York*, 23-cv-6369

Dear Judge Clarke,

Counsel in the above-referenced matter write jointly to request that their deadline to submit a case management order be extended until **January 20, 2025**. As the parties noted in their November 22, 2024 letter, the Second Circuit held oral argument on the appeal of the preliminary injunction on November 13, 2024 and reserved judgment. Parties believe that a decision from the Second Circuit would impact the scope of discovery and the possibility of a negotiated resolution of this matter.

The parties therefore jointly request that, in the interest of judicial economy and the preservation of the parties' resources, the deadline to submit a case management order be extended until **January 20, 2025**. This is the third such request.

Sincerely,

/s/ Andrew Case
